

TOGETHER WE CAN REBUILD: KEY INSIGHTS & OPPORTUNITIES

As we move through October, our community continues to recover from the impact of Hurricane Helen. This month, we focus on the importance of local hiring and the role we all play in supporting our economy.

Key Insights: The State of Local Employment

- **Current Job Market:** Many businesses in Jonesboro are still facing staffing shortages, with numerous open positions across various industries.
- **Community Impact:** By hiring locally, we can revitalize our economy and ensure that resources circulate within our community.
- **Talent Availability:** Our agency has a pool of qualified candidates ready to step into roles and help local businesses thrive.

How Your Business Can Support Local Employment

1. **Prioritize Local Hiring:** Make a commitment to focus on hiring qualified candidates from our community.
2. **Partner with Our Staffing Agency:** Collaborate with us to streamline your hiring process and access a talent pool ready to work.
3. **Participate in Local Events:** Join us for upcoming job fairs and networking events aimed at connecting businesses with local talent.
4. **Share Job Openings:** Promote your available positions through your network and encourage employees to refer local candidates.
5. **Engage in Community Initiatives:** Support local recovery efforts through volunteering, mentorship programs, or sponsorship of community events.
